Copy of the letter Roc.No.3306/52/A.1 dated 14-6-1952 of the Collector, Bellary addressed to the Secretary to Government, Development Department Fort St. George, Madras through the Director of Industries and Commerce Madras.

Sub: Mining - P.L. - Sandur Taluk - Hulikunti Village - 5 acres - Iron ore - application of Sri Metri Bheemappa of Bellary - report - submitted.

Sri Metri Bheemappa of Bellary has applied for the grant of a P.L. over an extent of about 5 acres near P.No.45 of Hulikunti Village of Sandur Taluk. He has remitted the application fee of Rs.50/- in Ch.No. 1101/ 12-3-1952 of Bellary Sub Treasury. The application is in order.

The Tahsildar, Sandur reports that the area applied for is an un-surveyed plot of land situated between P.Nos.45 and 46. The area of the plot is reported to be Acres 1-50. There is a cart track leading to the hill "Devadara Guddam" and the holders of P.Nos.45 and 46 do generally use it. This rastha is also used as exit for the fields P.Nos. 45 and 46. There is a rain water drain in this plot of land. The plot applied for is reported to be a part of P.No.46 which is an un-surveyed Devadayam inam land but there are no records to confirm the above report. It adjoins P.No.45 which is already held on mining lease by Sri M. Venkataswami and P.No.44 applied for by Sri M. Venkataswami. The land applied for is a small bit and mining operations will not be remunerative from the point of view of labour. If mining operations are allowed in this land, the public interests will be affected as the rastha will be closed to public by the applicant. More-over the grant of lease will create discord in the smooth working of the mines by Sri M. Venkataswamy. The applicant Sri Metri Bheemappa has already applied for a plot of 250 acres of land in "Devadara Guddam" Reserve Forest and it is under consideration.

p.t.o.

In the above circumstances I do not recommend the grant of to the applicant. I request that the Government may reject the application of Sri Metri Bheemappa.

(A) The application, the chalan and the sketch of the area applied for are enclosed.

To A.S.

Sri Metri Bheemappa of Bellary has applied for the grant of a prospecting licence over an extent of about 5 acres near Paimash No. 45 of Halikunti village of Sandur Taluk. He has remitted a fee of Rs.50/- towards application fees. The Collector has reported that the application is in order.

p 3 (A)

The Tahsildar Sandur has reported that the area applied for is ~~is~~ an unsurveyed plot of land between P. Nos. 45 and 46. The area of the plot measures 1.50 acres. It is reported that there is a cart track leading to the hill "Devadaraguddam" and the holders of P. Nos. 45 and 46 do generally use it. This rastha is also used as exit for the fields P.Nos. 45 and 46. There is a rainwater drain in this plot of land. The plot applied for is reported to be a part of P.No.46 which is ~~an un-surveyed~~ a Devadayam inam land but that there are no records to confirm the above report. It is reported that this plot adjoins P.No.45 which is already held on mining by Sri M. Venkataswamy and P.No.44 applied for by Sri M. Venkataswamy and that discord may arise between the parties. The Collector considers that if mining operations are allowed in this land the public interests will be affected as the rastha will be closed to ~~public by the applicant~~ the public. For these reasons he has not recommended the grant of prospecting licence to the applicant. The D.I&C also has agreed with the Collector. For orders whether their recommendation will be ~~objected~~ accepted and the application may be rejected.
